SHANGHAI,

24th

July

1930.

Sir,

I have the honour to inform you that Richard Ernst Hans Karl BÖCKMANN<sup>\*</sup>, of German nationality, born at Kiel 16 December 1900, at present domiciled at the Stadium, where he is employed as an engineer, desires to proceed to Samarinda (Borneo) in order to execute work there at the saw mills of the Langkat Company, represented at Shanghai by George McBain.

He is called there at the suggestion of Mr. Gray, a British subject, who was also employed at the Stadium and is at present in Samarinda.

It appears that Bockmann arrived in Shanghai about 6 years ago and was formerly employed at the Shanghai Portland Cement Works at Lunghua.

During 1927 he resided at 156 Seymour Road and in 1928 at 2 Temple Lane.

I would be much obliged to know whether anything is known against this person from a political or moral point of view.

I have the honour to be,

Sir,

Your obedient servant,
